Thank you for visiting our office. Board-certified plastic surgeon, Dr. Bonnie Baldwin, created her practice to promote excellence in care for each patient seeking plastic surgical procedures of the face, breast, and body. She seeks to empower women and men to care for themselves by addressing appearance issues that bother them daily and strives to provide surgical results that look natural and refreshing. She diligently attends to every detail from consultation to recovery followed by extended annual checkups to ensure her patients achieve their individual goals. Dr. Baldwin believes feeling good about one's appearance is a foundation of personal confidence and contentment. We want to ensure your questions are addressed at your initial consultation. Please let Luna, Brooke, or Dr. Baldwin know if you need further information.
